

SCHOLARSHIP FOR ENGINEERING STUDENTS

Introduction

Engineering is a highly valuable career offering students a variety of subjects to choose from. For students who aspire to pursue a degree in engineering in a renowned university or college in the UK, Canada, Australia, and the USA can apply for the Engineering Scholarship Program from Huntington Beach. This scholarship is available for students from different fields of engineering.

About

The Engineering Scholarship Program is provided to the students who have successfully completed one year of education and are currently enrolled as a full-time or part-time student in a recognized university. Students must be studying any subject of engineering as their major. It serves financial support to young and talented minds so that they can groom their knowledge and become leaders in the future.

Benefits

We proudly present this scholarship to students who possess rich knowledge in their preferred field of engineering and have the potential to become the leaders in the next-gen.

Winners of this scholarship will get a chance to hone their technical as well as professional skills.

Students can win this scholarship and support their dream of becoming an engineer.

If you are unable to secure admission in a renowned engineering institute, you can use the scholarship amount to secure a place for you.

Eligibility Criteria

- The applicant should have enrolled or planning to enroll for undergraduate or postgraduate engineering course (for, eg. B.E, B.Tech, M.E. M.Tech) with an accredited college/university.
- The applicant should be at least 18 years of age while applying.
- The applicant should have completed High School / Secondary School education.
- The applicant should be a citizen or permanent resident of UK, Australia, USA or Canada.
- While applying, the applicant should have completed at least one term of college/university engineering course after completing high school or secondary school education.

- The students having a time gap between graduation and post graduation are not eligible. College dropouts are not eligible.
- The winners are announced online on our website <https://www.allstarplumbingservice.com> by 31st May of every year.

How to Apply?

To apply for this engineering scholarship program, you need to submit a project relating to your course of study. For example, if you are pursuing your graduation in Mechanical Engineering, you need to submit an innovative idea relating to frictionless working or any mechanism of a machine.

This project can be in the form of a thesis, video, or a project report which is a combination of text and images.

You are supposed to send this project through email on laura@allstarplumbingservice.com before 15th May of every year. The winners would be announced on our website <https://www.allstarplumbingservice.com> on 31st May of every year.

Important Note

Please do not try to contact any other phone numbers or email on any other email id

(besides laura@allstarplumbingservice.com) in regards to this scholarship, as that may have a negative impact on your application.

Besides the project report mentioned above, you need to email us the below-mentioned details:

- | | |
|-------------------|--|
| ● Name | ● Name of the College/University |
| ● Contact Details | ● Name of the Course of Education Currently Enrolled or Planning to Enroll |
| ● Address | ● Student ID Number |

That is all we need from our end. We aim to ensure that the students acquire education in the field of their interest without any financial constraints.

Terms & Conditions

1. All Star Plumbing holds the right to verify the details submitted by the students like the student ID, name of the college/university, course of study, etc.
2. The winners would be chosen by the panel of judges from All Star Plumbing. The decision by the judges would be final and cannot be challenged.
3. All Star Plumbing reserves the right to publish the winners' names and photographs on our website <https://www.allstarplumbingservice.com> .
4. All Star Plumbing can change the rules and regulations of the scholarship program at any time during the process except the reward amount.
5. The scholarship amount of \$5000 is every year reward.
