

SCHOLARSHIP FOR GAMING STUDENTS

Introduction

All Star Plumbing has always worked for the betterment of the society and this year again it announces its Game Development Scholarship Program for students and citizens of the USA and Canada. Talented and skilled artists can now move ahead in their career of game development, animation, and other related fields without experiencing any financial challenges.

About

In association with Riverside Plumber, we are glad to announce this scholarship every year to let students build an exceptional career in the field of game development. Students applying for this scholarship must be skilled in their chosen field and must be enrolled in an undergraduate or postgraduate course in a recognized university in the above-mentioned countries.

Benefits

Students exhibiting their financial requirements can apply for this scholarship and earn additional money by simply showcasing their outstanding work in the field of game design and development.

Winners holding in-depth knowledge and high passion will get a chance to interact with industry experts through one-on-one sessions.

Through the way of this scholarship, students can hone their skills while designing a mobile or tablet game using their preferred technology or game development tools.

Students can develop gaming apps in their spare time and submit their work in order to get lucky to win the reward money.
